since the 1991 publication of his groundbreaking book *Gay and Lesbian Themes in Latin American Writing* David William Foster has proposed a series of theoretical and critical principles for the analysis of Latin American culture from the perspectives of the queer. This book continues that project with a queer reading of literary and cultural aspects of Latin American texts moving beyond its predecessor which provided an initial inventory of Latin American gay and lesbian writing. *Sexual Textualities* analyzes questions of gender representation in Latin American cultural productions to establish the interrelationships, tensions, and irresolvable conflicts between heterosexism and homoeroticism. The topics that Foster addresses include Eva Perón as a cultural sexual icon, feminine pornography, Luis Humberto Hermsillo's classic gay film *Doña Herlinda y su hijo*, homoerotic writing, and Chicano authors Matias Montes Huidobro's *Exilio* and the representation of gay identity, representation of the body in Alejandra Pizarnik's poetry, and the crisis of masculinity in Argentine fiction from 1940 to 1960.

for as long as Mexicans have emigrated to the United States they have responded creatively to the challenges of making a new home but although historical sociological and other aspects of Mexican immigration have been widely studied its cultural and artistic manifestations have been largely overlooked by scholars even though Mexico has produced the greatest number of cultural works inspired by the immigration process and recently Chicana/o artists have addressed immigration as a central theme in their cultural productions and motifs. *Culture Across Borders* is the first and only book length study to analyze a wide range of cultural manifestations of the immigration experience including art literature cinema corridos and humor it shows how Mexican immigrants have been depicted in popular culture both in Mexico and the United States and how Mexican and Chicano/Chicana artists intellectuals and others have used artistic means to protest the unjust treatment of immigrants by U.S. authorities established and upcoming scholars from both sides of the border contribute their expertise in art history literary criticism history cultural studies and other fields capturing the many facets of the immigrant experience in popular culture topics include the difference between Chicano/a and Mexican representation of immigration how films dealing with immigrants are treated differently by Mexican Chicano and Hollywood producers the rich literary and artistic production on immigration themes and the significance of immigration in Chicano jokes as a first step in addressing the cultural dimensions of Mexican immigration to the United States this book captures how the immigration process has inspired powerful creative responses on both sides of the border

all Australian children's books published from 1989 to 2000 are listed in this essential reference for those who appreciate the richness of Australian writing for children following the same format as volumes 1 and 2 in this series chronicling books published as early as 1774. Entries include publishing details, the number of illustrations, and the awards received for each book. This third volume follows the continuing careers of authors such as Mem Fox, Bob Graham, Robin Klein, and Paul Jennings, and traces changes in the popularity of Australian themes and settings. To identify publishing trends, varied cultural aspects of modern day life are shown from globalization, commercialism, and the rise of the middle class in Asia to desktop publishing, outcome-based school curricula, and the modern obsession with celebrities, all of which are reflected in the type and quantity of books produced by Australian writers and publishers. The wealth of included material will extend researchers' understanding of the range of Australian children's books.

A fascinating study of five twentieth-century Latin American novels that focus on one particular search for El Dorado, the infamous 1559 expedition headed by Pedro Ursua and the first legendary colonial rebel against the crown, Lope de Aguirre. Author Bart Lewis approaches these five works as both representations of Latin American literature during the mid to late twentieth century and as re-examinations of the notorious figure of Lope de Aguirre.
